Dear Rosemarie,

On behalf of the nation's interior design industry, the Society would like to thank you for your presentation at **INTERIORS 08: The ASID Conference on Design**. We really appreciate the time and energy you spent in preparing and delivering an educational program for conference attendees.

Held in New Orleans on March 13-16, the INTERIORS conference attracted hundreds of participants from a variety of backgrounds including interior design professionals, students, and industry partners. Overall, participants stated their experience was excellent! For your review, enclosed is a summary of the participant evaluations for your individual session.

We fully recognize that we would not receive such positive feedback about the conference without the excellent presentations and stimulating discussions provided by talented individuals like you. Thank you again for taking time out of your busy schedule to share your expertise.

Sincerely,

Rhonda Claytor DeBerry
Director of Education
